

Hotel Package "International Alba White Truffle Fair"

90^ Fiera Internazionale del Tartufo Bianco d'Alba

ALBA, 10 OTTOBRE – 08 dicembre 2020

The International Alba White Truffle Fair is one of the top showcases for haute cuisine and Italian excellence.

The heart of the Fair in October and November is the Alba White Truffle World Market, the ideal place to appreciate and buy truffles from the Langhe, Monferrato and Roero area.

Within the Truffle Market you will find Alba Truffle Show: the space dedicated to Cooking Shows with great chefs, the Truffle Sensory Analysis, the Wine Tasting Experience, twinings with territories of food and wine excellence and "taste weddings" among the hills of Langhe, Monferrato and Roero along with guests, events and debates.

And yet the Fair confirms and expands its educational function with the Alba Truffle Kids Truffle, the pavilion dedicated to children and their families. The International Alba White Truffle Fair is one of the top showcases of haute cuisine and Italian excellence.

For those who love to eat this is the right opportunity to treat themselves to a stay dedicated to good food.
