

Wine Therapy

The new frontier of wellness

Wine not only as a pleasure for the palate but also a precious supporter for the heart, health and life.

Not everyone knows that grapes, their leaves and wine have extraordinary antioxidant properties and can have beneficial effects on the skin, circulation, forms of stress and skin aging. Therefore the active ingredients of grapes inspire enotherapy treatments with revitalizing, antioxidant, purifying, moisturizing, smoothing, nourishing and toning effects for the skin; pleasing to women as well as men.

Grapes and wine, must and pips from the Ricchi vineyards.

Obviously, the best grapes spanning bottled but their richness goes beyond and it is transformed into massage creams or into a relaxing bath in wine.
